

Process for plastics drop off

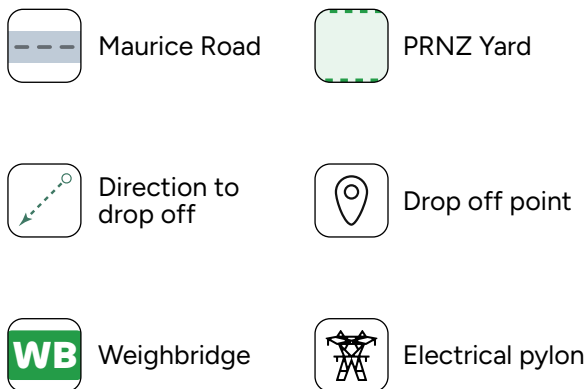

Deliveries and general requirements

Site location:

Plastics Recycling New Zealand

Co-located with WM New Zealand

5C Maurice Road, Penrose Auckland 1061

One-Off Deliveries:

- Book a delivery slot between 9am - 3pm, Monday to Friday
- Vehicle must be weighed in and out at the site weighbridge
- Vehicle registration must be provided to the PRNZ Operator/Manager

Regular Deliveries:

- Contact the Factory Manager to set up a weighbridge account, approve material and schedule deliveries
- Deliveries accepted 9am - 3pm, Monday to Friday
- Site induction required for access card and weighbridge key-fob

General Requirements:

- Minimum load: 2m³ or 150kg (charges may apply for smaller loads)
- All vehicles must use the weighbridge for entry and exit
- Await acceptance and instruction from the Yard Operator or Factory Manager. **Do not unload material without approval**
- Unacceptable loads may be rejected and declined from dropping off on-site
- No current gate fee applicable to materials meeting acceptance criteria, however, unacceptable or mixed loads may incur a disposal or sorting fee
